

TO: SCCUMA Members and Potential Members
FROM: George Lockwood, SCCUMA President
SUBJECT: 2012 Membership Dues
DATE: December 5, 2011

It is time to activate your membership in the South Carolina Credit Union Management Association (SCCUMA) for 2012. We were very pleased with the SCCUMA meetings for 2011. The meetings were well attended and the sessions covered topics that were important and timely to credit unions.

The annual dues to join SCCUMA are just \$75.00 per person and entitle the member to a discounted registration fee for both meetings.

SCCUMA is an independent association of South Carolina credit union management level professionals. The association holds two meetings per year. The February SCCUMA meeting is scheduled for **February 16-17, 2012** and will kick off with the Legislators Reception on the evening of the 15th. All February events will be held at the Clarion Town House Hotel in Columbia. The second SCCUMA meeting is scheduled for **September 20-21, 2012** and we are currently in the negotiating process with hotels in Columbia. The programs focus on credit union issues and challenges, utilizing national speakers as well as in-state presenters.

Election of the President, the 2nd Vice President and Treasurer for a two year term will be included as part of the SCCUMA Annual Meeting held in February. A Nominating Committee has been appointed. To assist their selection, if you – or anyone you know in a management position – would be interested in being considered for these positions, please contact Scott Conley, Chairman of the Nominating Committee at sconley@mpcredit.com or 803-432-7771.

Please complete the enclosed membership application (photocopy if necessary) and return it to the Credit Union Conference & Training Department at the League. Please feel free to contact me at gwl@cpmfed.com or 843-202-1070 or the SCCUL Conference & Training Department at 800-235-4290 / 803-781-5400 if you have any questions or suggestions regarding SCCUMA or upcoming programs.

Be sure to Save the Dates for the 2012 meetings and we'll see you in February!
